**VOTE ONLINE:** <https://www.surveymonkey.com/r/VDPNRCR>

**DUE DATE:** December 19, 2018

**TOPIC:** ANSI Standard B165.1 R2018 – Power Brushes

**DISTRIBUTED BY:** American Brush Manufacturers Association

**STATEMENT:** This is a reaffirmation of an existing standard that has been in place since 1979 and was last revised in 2013. Changes have been made to make it more relevant and current. It includes guidelines for the design, care and use of power brushes.

**QUESTION:** Shall the proposed standard on power driven brushes be reaffirmed as American national Standard B165.1
